What Does My Grade Mean?

4	You have mastered this skill and showed that you remember it. You could teach it to another person.
3	You mostly get this skill, but you are still stuck with some parts.
2	You have an idea how to do this skill, but still need a lot of work to get it done.
1	You tried this skill, but you weren't on the right track. You need some help to practice it.
0	You don't know where to start, so you need re-teaching and help to learn this skill.
